RE: Initial Order Granting Certificate of Public Convenience and Necessity to Comcast Phone of Tennessee, LLC

Dear Mr. Gilliam:

On May 16, 2005, the Tennessee Regulatory Authority ("TRA") approved a Certificate of Public Convenience and Necessity for Comcast Phone of Tennessee, LLC ("Comcast"), Docket No. 04-00427.

Comcast respectfully informs the TRA that the Initial Order incorrectly states David Sered's title as Vice President of Regulatory Affairs. Mr. Sered's title is Director of Regulatory Affairs. Additionally, the Order lists 1500 Market Street, Philadelphia, PA as the principal place of business for Big River instead of Comcast Phone of Tennessee, LLC.

In order to ensure that the TRA records are correct, Comcast requests that the TRA make certain its records reflect 1500 Market Street, Philadelphia, PA as the principal place of business for Comcast and David Sered's title as Director of Regulatory Affairs.

Thank you for your attention to this matter.

Sincerely,

Kathleen Loughrin
